Hi Tim:

I have been authorized to offer 4 Inspectors subject to our addressing some logistical issues.

What I would need from you is a location for us to report to join our teams and some idea operationally what times you would need us.

We could certainly could have two members available on 12 hour shifts, 24 hours a day if that is what you want.

Having some understanding of what you need would help me prepare a work procedure for our people and to address logistics like hotels outside of the downtown core.

I am finalizing the guidance document for Stephanie and will have that to her shortly.

Please advise.

Ric Ladouceur
